### An of course there is always Salzburg

Here you are bound to find something new every time you go to the city. Many museums, art galleries, cathedral and churches, Mozart's birth house or town house, the Fortress Hohensalzburg, the Natural History Museum, the unique Augustiner beer garden opposite the hospital, perhaps make a visit to the Marionette Theatre or enjoy a lunchtime concert. Just south of Salzburg is the Castle of Hellbrunn with its famous water gardens and zoo. Go plane spotting at Salzburg Airport or visit Hangar 7 with an exhibition of old timer planes from the Red Bull Company. Whatever you decide to see, please collect the city map of Salzburg from the Tourist Office together with bus timetables and detailed information brochures. There is also a Salzburg Card which offers many reductions on entrance prices. Call in and see us for details.
